

Delegation of Authority – Dovetail Fire

Effective 1000 on July 28, 2012 I hereby delegate authority to manage the Dovetail Fire incident to Charles Savoia, Type III Incident Commander. You have full authority and responsibility for managing fire suppression activities and all assigned firefighting resources.

You are authorized to expend \$500,000 and exceed this amount by 15% if necessary. Make cost effective decisions. Release resources as appropriate.

Fire Objectives

Fire fighter and public safety is the highest priority for management of the incident.

Maintain good working relationship between landowners, local government and state and federal firefighting resources.

Protect all threatened structures if it can be done safely.

Protect rangeland and rangeland resources.

Assist local forces with initial attack as directed by LIDC.

The fire is currently lined. The suppression objective is to contain and control the fire within existing fire lines.

In the case of fire expansion contingent suppression objectives are:

Keep fire south of 79 road.

Keep fire north of Trophy Ridge Road.

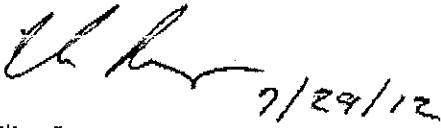

Keep fire west of Dovetail Road

Keep fire east of Valentine Road.

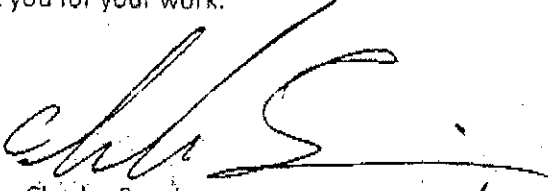

Don Pyrah (366-2220) is the DNRC agency representative for the Dovetail Fire.

Maintain daily contact with me (366-6356) or as changing conditions require.

Have a safe and successful assignment. Thank you for your work.
